16:23:15 From Beatrice Laurent : thanks for the link!

16:40:54 From Beatrice Laurent : with the tools you have presented, is it possible to collect information about illustrations as well?

16:43:27 From Beatrice Laurent : yes, I'm French

16:43:32 From Chris Lukasik : Reacted to "yes, I'm French" with 👍

16:43:39 From Chris Lukasik : Reacted to "with the tools you h..." with 👍

16:47:01 From Ali Hatapçı : Related to the illustrations, there's a "tutorial" to extract illustrations from selected volumes: https://programminghistorian.org/en/lessons/extracting-illustrated-pages

16:47:33 From Regina Martínez Ponciano : Reacted to "Related to the illus..." with 👌

16:47:35 From Priti Joshi : About ads, I was showing my students Dickens _Pickwick Papers_ in parts (a facsimile) and they LOVED the ads more than anything. We in Periodical Studies, of course, know the importance of ads!

16:47:50 From Thomas Smits : Reacted to "About ads, I was sho..." with 👍

16:47:57   From Mercedes Sheldon : Reacted to "About ads, I was sho..." with 👍

16:48:08   From Thomas Smits : Reacted to "Related to the illus..." with 👍

16:48:18   From Fionnuala Dillane : Following up on Thomas point: The RSVP Patrick Learn Field Development Grant is currently accepting applications for our 2024 award ($27500). See www.rs4vp.org for details.

16:48:55   From Georgina Gale : Reacted to "About ads, I was sho..." with 👍

16:49:13   From Beatrice Laurent : Thanks Ali and Priti!

16:49:31   From Georgina Gale : Reacted to "Related to the illus..." with 👍

16:49:41   From Priti Joshi : Reacted to "Thanks Ali and Priti..." with 👍

16:54:45   From Georgina Gale : Apologies for the clumsy phrasing on my part (neighbours are congregating in my hall debating parcel deliveries), and thank you for clarifying ad/text standing within this project. Would be a shame to miss ads and illustrations in these tools, especially for journals like The Black Cat Magazine which I've only been able to read through Haithi!

16:58:35   From Mairi McLaughlin : I have to leave but thanks for this - it was very useful.

16:59:08   From Thomas Smits : Reacted to "I have to leave but ..." with 👍

16:59:39   From Ali Hatapçı : https://academic.oup.com/jvc/article/17/2/238/4102491

17:01:46   From Anne Bandry : Advanced examples of 'distance reading ' on https://litlab.stanford.edu/

17:02:03   From Mercedes Sheldon : Thank you! Looking forward to moving some collections into worksets and see what it reveals!

17:02:25   From Anne Bandry : Thank you, very interesting

17:02:27   From SARA BOEZIO : Thank you so much, that was very helpful

17:02:30   From Erin Louttit : Thank you!

17:02:38   From Máire : Thank you John, really interesting talk.

17:02:44   From Stephanie Palmer : Very interesting talk, thanks.

17:02:57	From Fedora Parkmann : thank you1

17:03:05	From Beatrice Laurent : Thanks for this very clear and interesting presentation!

17:03:11	From April Patrick : Thank you so much! This was wonderful! I can't wait to start playing with these tools.

17:03:22	From Georgina Gale : Looking forward to playing about with these tools - thanks for introducing them!
