17:19:20 From Catherine Waters : I have to go as I've got something on at 5.30 but congratulations to all on what sounds like a fantastic collection!

17:21:40 From Patrick Leary : Jennie is so right -- we just have not, as a field, even begun to seriously try to recapture the interactions among periodicals and how those interactions shape their evolution (or demise!).

17:22:53 From Alison Chapman : Reacted to "Jennie is so right -..." with 👍

17:23:11 From Elizabeth Howard : I have a good bit of background noise at the moment, so I'll pass at present.

17:24:51 From Alison Chapman : Yes, exactly Patrick, and I can't help thinking in response to these wonderful talks that in this historical period of flux periodicals are making all kinds of self-conscious claims for a different kind of collaborative agency...i.e. what can periodicals do?!

17:25:11 From Sofia Prado Huggins : Reacted to "Yes, exactly Patrick..." with 🎯
